build. My dad is loaded and owns a sprawling country estate in Argyllshire, up in Scotland – perhaps I'm your typical spoilt little rich girl. I have a voracious appetite for sex, and back home in North London I'm forever sneaking one or two boys up to my bedroom for secret shagging sessions, or sucking men's cocks in my doorway. Two weeks ago, I went up to Scotland with my dad for the first time. My mum was away to the South of France to see her brother. I was in Scotland for five days and on the third day my dad had to drive down to Glasgow for a business

as I pulled out a few of the girlies magazines. Yes, there were several Club Internationals (which is where I got the idea of writing to you guys about this sexy experience). There were also hardcore mags, with pictures of naked girls taking big cocks up their pussies and in

Dear The Lounge,

At first I was a bit weary if I should write this to you as I was not too sure if you would accept it, but as much as the women in the magazine love it, I guess the male people would as well.

Whilst looking through the whole magazine, I have been getting myself hot and flustered. Just to let you know, I am a full-blown lesbian (don't do men at all!). I have been looking (or should I say perverting?) over all the pics and the stories and been having some great climaxes.

I am a Romanian Romany Gypsy, with great fingers, and I know I could make all of the women's (in your magazines) bodies shudder if I looked at them in my special way, let alone finger fuck them. Oh please, how can I meet up with them!!!!?

Dear The Lounge,

My name is Emma-Jane. I'm eighteen, with long dark-brown hair and a slim, attractive

meeting.

Apart from a couple of staff, I was left in sole charge – the lady of the manor, if you like!

Wearing a revealing bright white minidress, I had a nose around. A short walk from the Main house, I came across the estate manager's office. The estate manager is Declan, an Irishman in his late 30s and a good mate of my dad's. Finding the office door unlocked, I went inside and had a snoop around.

Looking through some filing cabinets behind Declan's desk, I reached the bottom drawer and lurking beneath some papers I glimpsed a pile of porn mags. Slightly shocked at first, my heart started racing and I began to get excited and turned-on

their mouths. Sitting in the chair, I read a mucky letter in a Club mag whilst I looked at a set in a harder mag of a girl sucking on a hard dick until the bloke came all over her face.

I got so horny and sexed-up that I soon popped my breasts out of my dress and rubbed my free hand over my ripe, young tits. My hand strayed down and I rolled my dress up around my waist and slipped my damp white cotton panties down to my knees. The dirty mags had filled my head with such naughty thoughts – I just had to bring myself off there and then. Opening my legs, I fingerfucked my shaven cunt, and as I plunged my fingers in and out of my hole I casually stroked my clit, making myself come twice. Puffing and panting with pleasure as I frigged myself to yet another juicy climax, I was so caught up in my own self-abuse that it hardly registered when the door flew open and in marched Declan and his assistant, Nick – a guy in his 20s.

"What the bloody hell...!?" gasped Declan in his thick Irish brogue, while Nick just stood there, his mouth a-gape in astonishment at seeing me sitting there with my fingers wedged inside my naked, juiced-up cunt.

"Ooh, my God," I gasped, letting the mags slip from my grasp as I did so. "You've really caught me in the act this time boys. I'm a really bad girl, aren't I?" I smirked.

Having not had a cock in nearly a week, I was gagging for a good seeing to, and these were men,

not boys. "Come and get it lads," I teased as I rose from the chair and let my panties slide down my legs and off. "Get your hard cocks out and let me play with them," I continued with a smile as I lifted my little dress clean off and stood before them completely naked.

"Declan, what...?" muttered Nick as both men hesitated for a second, unable to take their eyes off my tanned, firm, 18 year old body. The promise of a warm, open pussy quickly persuaded them!

"Lock the fucking door, Nick," said Declan. "Let's give the filthy little slut what she wants," he added. I watched, smiling, as the two men stripped off. Seconds later, they were starkers, exposing two of the biggest cocks I had ever seen.

Kneeling in front of the two men, I stroked my fingers over each of their stiff cocks and gently squeezed their balls. Their throbbing, swollen erections pointed upwards as I wanked them off one at a time – the swollen purple heads resembling a pair of ripe, juicy plums.

Moving my mouth to their quivering knobs, I slowly dragged my tongue up and down their veiny shafts, savouring their delicious musky flavour.

The men gasped with pleasure as I circled my mucky wet tongue around the bulbous helmets of their strong, straining hard-ons. Opening my mouth, I took Declan's cock between my lips and pushed down, feeling the tip of his dick bump against my cheeks as I sucked him off.

At the same time, I continued to wank Nick off. As I pleased each of their poles, both men reached down and ran their hands through my long brown hair then roughly

kneaded and squeezed my pert round tits. I withdrew Declan's cock from my mouth when I felt a little bit of pre-come slip down my throat.

"Why don't you fuck me, Declan?" I murmured as I rolled his glistening dick over my face and tits. As Declan moved around behind me, I thrust my cute little bum in the air and opened my legs for him.

Declan gripped my arse cheeks and pressed the head of his shaft against my wet, slippery pussy lips. A moment later I was moaning in pleasure as he entered me, his thick shaft filling my tight hole right up and stretching my fanny walls to their very limits.

As Declan pumped his cock in and out of my tight hole, Nick sat in front of me. I leaned down and, taking his cock in my mouth, eagerly sucked his monster erection, making him gasp with delight as I pushed my lips up and down his veiny member. As I sucked him, I tugged the root of his length and fondled his sperm packed balls while Nick reached under me and expertly massaged my firm young tits.

With both men's cocks inside me I felt so slutty at the roasting I was taking, as well as being totally ecstatic. When Declan put his arm around me and stroked my clit as he powerfully rammed his dick in and out of my hole, I writhed wildly, coming all over his shaft and balls.

Suddenly, Nick groaned out loud as his cock exploded and filled my mouth with his hot, salty spunk. As I greedily drank down Nick's gooeey jizz, he pulled out and let go another copious wad of sperm all over my face and titties.

Tits and tattoos, what more can you want? Well, if you throw in a shaved and pierced pussy you're taking things to a whole new level! "I love my tattoos, but hands down having my nipples and pussy pierced has to be the best thing I've ever done. My nipples are so sensitive and if they're licked and sucked in the right way I can have an orgasm, not the same kind of orgasm you get from a good fucking, but it's still pretty damn amazing!" And what about the piercings downstairs? "Guys get a bit intimidated by them, they think they'll rip off during sex or their cocks might get tangled up in them, but once they get into the flow they enjoy them just as much as I do!"

THE NEXT TIME YOU'RE AT A CAR SHOW, HAVE A LOOK AT THE GIRLS, MAYBE IT'S SAM AND HER NEW FRIEND LAURA – IF IT IS, YOU KNOW WHAT'S COMING...

It's funny how the best shags are the ones that just happen to me rather than the ones I plot, plan and scheme over for days on end. I'd only been given two days notice before a big job in Birmingham, being the pretty girl in the skimpy clothes at a car show, helping to sell the cars by letting loads of car nerds ogle me instead of the cars.

When I got there, it turned out that I was sharing a room in my hotel with another girl, Laura, who was also working the show, although we'd never met before.

We had about fifteen minutes to say hi before I had to be at the show, and I left Laura in her knickers and camisole getting herself ready to go as well.

I saw her a few times during that first day, in passing whenever one of us got a little break and had a little wander around to relieve the boredom, but it wasn't until we had both fin-

ished and came back to our room that we really got the chance to talk. Not that we did much of that!

As usual, I was shattered by the end of the day – tramping around in high heels all day with a fixed smile can wear a girl out! All I wanted to do was get in the bath and let the day's woes wash off of me, but when I got back, Laura was in the bathroom, washing her hair.

"Hi! Can you help me rinse?" she called from the small ensuite, waving the shower

“She smirked and ploughed the dildo into my cunt once more, bending down herself to tongue and kiss my ring.”

head above her bent form.

From where I was standing, all I could see was her peachy backside and firm, toned thighs.

I wondered if, like me, she liked the taste of another girl's pussy...

Walking into the bathroom, I took the shower head off Laura and rinsed the suds from her hair, resting my hand on her back and enjoying the feel of her skin. Laura reached for a towel in her bag and that was when a huge dildo tumbled to the floor.

Once she'd wrapped the towel round her head, Laura noticed it as well, and for a second we looked at each other before we both burst out laughing – it was such a monster there was nothing else you could do! “What the fuck were you gonna do with that?” I asked, knowing exactly what she was going to do with it but seeing an opportunity I would be fool to miss.

“God, you must think I'm a perv!”

Laura laughed, and I reassured her that I didn't think she was a pervert – not totally.

“Well, you know how it is, staying in hotels on your own is pretty lonely, and, I don't know about you, but I get quite turned-on if I've spent all day being eyed up by men.

By the end of the day, I've run a thousand fantasies through my mind and am dripping.”

Music to my ears! Laura was obviously a sexual animal, all I needed to know now was whether she was into girls as well as boys. “But what do you actually do with it?” I asked, playing the innocent.

Laura looked at me in a funny kind of way for a split second before saying, “What do you think you do with it?”

You play with your pussy with it!”

Now was my chance to bring this up a gear. I was still wearing the little skirt and T-shirt from the day's job and I took the double-headed dildo and sat on the edge of the bath, prodding it against my crotch. “What, like this?” I said, making a right meal of it.

“No, silly!” giggled Laura. She paused for a second, watching me fumble with the giant sex toy, before saying, “Do you want me to show you?”

“Really? Would you?” I said, trying to hide my pleasure. Sitting beside me on the bath's rim, Laura took hold of the dildo and, instead

of rubbing it against herself, she stroked the head gently against my pussy. There was no need to pretend anymore – Laura definitely liked girls and was obviously into me. I opened my legs wider and thrust my pussy against the dildo's head and Laura squatted on the floor between my thighs, pulling my crotch to one side.

“Once I was full of dick, Laura stood up and we snogged, our tongues entwining, our hands exploring each other's bodies.”

Pulling the towel off of her head, I ran my hands through her wet hair as she slid the giant cock between my lips and brushed it against my clit, spreading my juices over my cunt.

She eased a finger into my hole and followed it with another, fucking my pussy with them, twisting and turning them inside me, getting me ready for the fat cock that she was holding in front of my face. I licked my pussy juice from its tip and sucked on it as if it was a cock and Laura was feeding it to me.

As I sucked on the dildo, Laura took the other end and splayed my pussy lips open before easing the monster cock up me. I was so eager for a fucking and I took her by the wrist and helped her to fill my cunt with the fat toy. Once I was full of dick, Laura stood up and we snogged, our tongues entwining, our hands exploring each other's bodies. I slipped the camisole from her shoulders and enveloped her breasts in my hands. Her nipples stiffened to my touch and I tweaked them hard, pulling on her teats as she fucked my cunt with the flesh-coloured dildo. I pulled off my T-shirt and undid my bra and Laura carried on drilling my pussy with the enormous cock, rubbing her fingers over my clit, licking my tits as soon as they were free. I lay down on the floor and pulled her down on top of me, holding the fat cock in my hand. We kissed and fondled and I searched out her pussy with my hands, finding her soaking wet inside her panties. My fingers slid easily into her cunt and she ground her clit against the palm of my hand as her breasts dangled in my face. Taking the giant prick off me, Laura sat between my thighs and fed it once again up my ach-ing pussy, using the other end to pleasure herself, taking as much of it as she

could inside her cunt. We sat facing each other, playing with each other's clits and feeding the cock in and out of our pussies, the two of us burning with lust and desire. It was Laura who came first, biting back her orgasm in short, soft whimpers, her cunt buck-ing wildly against the monster toy. Then it was my turn, but I wanted to get filthier... I stood up and bent over the bath, keeping my legs as straight as possible. "Will you fuck me with that massive thing and eat out my arse?" I asked, looking at Laura over my shoulder. She smirked and ploughed the dildo into my cunt once more, bending down herself to tongue and kiss my ring. I love having my arse played with, so you can imagine how horny this made me, a beautiful girl I hardly knew fucking me from behind with the biggest dildo I had ever seen, licking my arsehole out with wild abandon – seventh bloody heaven! As soon as Laura began to ease her little finger into my arse I came, gushing all over her sex toy and hollering out my ecstasy at the top of my voice. It was one of the rudest sexual experiences I've had, that night with Laura, and since then we've tried to make sure we work all of the shows together!

Frida is making her debut in Club International and it's got us all scratching our heads and wondering why it's taken so long! "It's not like I've not been knocking down your door for a bit of attention!" We're so sorry, it's just one of those things and you slipped through the cracks. And talking about cracks, we couldn't help but notice how wet yours was during the photo shoot. "Clearly I was enjoying myself!" You can never enjoy yourself too much when you're around us!

If you're one of Freida's neighbours, you're a very lucky man. This girl is pretty much allergic to clothes, we reckon. "It's my place, why should I have to wear constricting clothes anyway?" she pleads. "I like to walk around in the freedom of nakedness. Funnily enough, not one of my male neighbours has complained, and a couple have even come to visit me on the flimsiest of pretexts..."

Amy's been a firm favourite here at Club International ever since the Ed fell for her hook line and sinker at her first photoshoot at Paul Raymond towers – a day, he says, that will remain long in his memory. So we thought we'd ask Amy what her memories of that fateful day were. "Oh, umm, well, so I met the Ed, did I? Was he the scruffy fella hanging around trying not to ogle too obviously?" Yes, that sounds like him alright! Anything especially memorable you can recall about the day? "Well, I seem to remember the traffic was a bit crappy on the way home." Umm, another of the Ed's conquests!

Then Declan pulled out and furiously wanked his dick into my face. "Come on my face," I purred sexily. "Shoot your spunk all over me," I coaxed. Declan tugged away and I flicked my tongue over the tip of his prick. I screamed with delight when Declan's cock finally burst its banks and fired a deluge of sticky white come into my mouth and over my face, neck, tits and stomach. Christ,, some of it even landed in my hair. What a gloriously slutty mess I must have looked – my body plastered with both men's filthy sperm. Like a filthy little tart, I scooped their cock cream off me and eagerly licked it from my fingers. Squeezing their bell-ends, I licked each of their wilting cocks clean, revelling in being a dirty little spunkslut. Pulling my dress back on, I headed back to the main house. Shagged out, I enjoyed a long, hot, soapy shower and a pleasant afternoon nap before my dad got back, none the wiser.

Dear The Lounge,

I've been reading Club for years, wondering if there will ever be another babe in it as sexy as Cara Brett. Her boobs are the main draw – dragging my attention off all the new and sexy fanny and making me and my trouser friend lose our cool!

So, here's my fantasy, or one of them, about you – I hope it turns her on if she ever reads this, the thought of her getting wet about me is already making me hard!

I am a photographer and she is my model for the day. When I open the door to greet her, she is dressed in high heels and stockings, with a pencil skirt and a tight blouse that's unbuttoned enough to show off her ample cleavage.

The shoot goes well, but she is so sexy that I cannot hide my pleasure and soon she is pointing at my bulge in my trousers, asking if I need a little help with it.

Then, naked except for her stockings and suspender, she crawls over to me on hands and knees and kneels in front of me, reaching up for my zipper. In no time at all, she has my dick out and before touching it, she admires it from all angles. Then, like a hungry horny tart, she sucks me down into her mouth and licks my balls.

That's enough for me, I strip and we lay down together. She straddles my face and I taste her amazing pussy, supping on her juices and delving deep inside her hole as she wanks my shaft and licks my nuts.

I love her tits more than anything, but her arse is also a joy to behold, so I crawl out from underneath her and take her from behind, burying my cock deep up her tight cunt and finding my rhythm quickly.

When she looks over her shoulder and tells me to finger her anus, I nearly fill her with come right away, but mange to keep my composure, wriggling a finger up her ring and

then fucking both her holes as she moans and writhes in front of me. Her beauty fills me with the desire to make her come first, so I withdraw my cock and finger both her holes hard and fast until I am sure she's ready for more dick. Laying on her back, I come to her between her thighs and slide my rod up her velvety snatch, kissing her mouth and licking her tits, squeezing them together as I pound away inside her.

When she pulls my face down into her cleavage and digs her nails into my neck, I know my hard fucking is doing the job, and she came hard, thrusting up against me. I pull out and watch her stroke her clit beneath me, smiling and sighing with pleasure.

"How do you want to come?" She asks, reaching for my still stiff cock. I tell her that it would be an honour to cover her face and tits in my seed and the look in her eyes tells me that she would also love that. Straddling her stomach, I place my cock, slick with her pussy juice, between her

globes and you push them together, egging me on as I fuck them. I alternate between fucking her tits, rubbing my cock over her nipples and dipping my helmet inside her mouth as she moans appreciatively. But soon I am unable to hold back any longer and suddenly a huge squirt of spunk shoots up onto her face and chin, and then she pulls me off, directing all my come over her lovely tits. When I am totally spent, she uses my dick to rub my come into her titties and then she tells me to grab my camera and get some more pictures. She rubs all my spunk into her tits and I say it's a shame there isn't more as I don't have enough pictures yet. She tells me to put my cock in her mouth and sucks it some more. Then she gives me one of the best blow jobs I have ever had, looking up into the camera the whole time, taking all of my spunk into her mouth when I come and then letting it dribble from her mouth down onto her tits. Eventually, she leaves, all my come rubbed into her fantastic breasts.

We love close up pussy shots, and Eve is more than happy to give us a zoomed in view of her twat and that delicious arsehole too! "My pussy is as tight as they come, but my bum hole would squeeze your little finger dry of blood!" So, it's a no-go zone then? "No, it just takes a little bit of work and a lot of lube. As soon as I'm relaxed I can take a pretty decently sized cock up there. It's great having a big dick up my bum, but it's one of those rare occasions when smaller is best!"

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

My girlfriend, Grace, is fast making me the envy of all my friends. Not only is she attractive and clever, she is also by far the sexiest girl that I've ever been with. And it doesn't stop at looks, either, because in bed she is like a tiger. She's always up for anything, and more often than not it's Grace who instigates our filthy romps. It's just as well that I work out pretty regularly, on account of if I was any less physically fit I wouldn't be able to keep up and by now she might even have dumped me.

Grace is black and beautiful, with high cheek-bones and the sexiest lips ever, wide and succulent and absolutely made for kissing and sucking. Unlike my previous girlfriends she loves to suck cock, and often unzips me in the most unlikely and dodgy of places and just sucks me until I cum. She says she gets her jollies from the danger of our being caught, but I couldn't care less why she does it, just so long as she keeps up the habit and I keep getting to blow my load in her warm, wet mouth.

She is tall, shapely and beautiful, but my favourite part of her anatomy below the neck is her arse. Grace has the hottest booty ever, and I love the way it wiggles when she walks. But more than anything I love burying my face between her voluptuous bum-cheeks and pleasuring her while I caress those big soft titties.

I am not just talking about anal sex, which Grace also enjoys.

What I mean is that her buttocks are so full that just running my cock between them and pressing them together to envelope my shaft is better than the greatest titty-fuck imaginable.

Grace also loves me to spray my cum over her face, which in my book puts her on a pedestal compared to all the other girls I've dated.

She thinks of my pleasure before her own, and, although I have had to get used to pleasuring her on demand, anywhere and at anytime, fair's fair and I don't consider this a problem! In fact, only last night she gave me the best sex I've ever had, and it was well worth all the time and energy that it took to fully please her.

We only just rolled into bed for the night when she asked me if I would like her to wear some stockings while I fucked her. Would I?

I'll say. Grace looks especially enticing in

stockings. Not that she wears them much, though, as she's not one for dressing up normally.

However, last night the mood took her and I had no objections.

Just watching her rolling the sheer stockings up her leg had my cock twitching, and to add to the treat she took out a bottle of scented oil and asked me to massage her. Lying back on the bed, she stretched out and began to play with her nipples, while I drizzled the oil all over her body, making her soft skin glisten.

Then, starting with her big breasts I began to massage the oil in, taking time to pull and tweak her big nipples, which had grown hard and sensitive. She moaned loudly as my hands inched gently down her body. Slowly I caressed her tummy, rubbing

“I grabbed hold of her cheeks, squeezing the soft flesh and separating them to look at both of her pleasure holes.”

the oil into her soft flesh as I made my way ever so slowly and teasingly all the way down to her perfectly shaven fanny.

Grace spread her thighs wide to allow me full access to her beautiful pussy. Her lips were plump and fleshy and delightfully dark and exotic-looking. Before painting them with the oil, I leaned forward and began to lick her fleshy folds, sucking and nibbling as I tasted her sex juice. Licking it up, I smiled inwardly as I felt her body move in under me and I heard her sigh.

Her back arched, pushing her hips up so

that she presented her pussy in the most exquisite way.

I tongued her until she became so excited that she held my head against her and began humping my face. Holding her to me and going along with it, I sucked even harder on her clit, pushing her over the edge so that she came in my mouth.

Her pussy was still twitching, and, as I came up for air, I couldn't help stroking my prick as I watched her breathless and still climaxing. Besides, it was high time my cock saw some action, so I turned her over and positioned her on her elbows and knees with her arse pushed up high.

I rubbed my hands over her luscious bum-cheeks, stroking and squeezing them until Grace began to beg me to fuck her.

She looked so hot in her stockings that I could barely hold back, and, taking some more massage oil, I poured it over her lovely arse-cheeks, rocking back on my heels and just watching as it trickled down her crevice. Then, massaging it into her buttocks, I grabbed hold of her cheeks, squeezing the soft flesh and separating them to look at both of her pleasure holes.

They were both so inviting I wondered which one to use, in the meantime running my cock up and down between them.

properly, telling me to stick my fat cock in her bum-hole and fuck her hard.

I love this about Grace. When she wants her arse fucked she simply demands it, and so I pulled back, gave her a playful spank across both her lovely arse-cheeks, and oiled up her puckered little ring.

Rubbing the oil well in, I probed her bum-hole with my fingers, loosening her up.

When I felt she was ready, I nudged my cock against her ring and then prodded it firmly but slowly inside her. The oil helped, plus Grace was totally relaxed. Even so, she was still very tight, and I didn't want to ruin the experience by rushing and maybe making it uncomfortable for her. So as I moved slowly in and out of her, I reached forward and toyed with her nipples.

She moved on my cock, moaning softly with pleasure as I fucked her, and I breathed a sigh of relief knowing I'd got the balance right. But all too soon the friction of her fabulous tight arsehole brought me to the edge, and, still pinching her nipples and listening to her long hoarse groans, I spunked in her arse-pipe, at which point, Grace, almost sobbing with pleasure, came too.

Holding them tightly together I sawed my cock inside there, using her bum-crack to wank my throbbing boner. It felt fucking hot to me, but it almost drove Grace wild with excitement. She began shouting at me to hump her

I met Dan down the club about a month ago when I was out on the razz with my mate Chrissie.

We're dirty little sluts when me and Chrissie get together, and if we don't get a nice big dick up our pussies by the end of the night we feel really hard done by. Luckily we're both okay looking and seem to be able to pull, although dressing in tarty clothes always helps, especially if we're clubbing it.

Anyway, I had on my highest stilettos and short denim skirt that night while Chrissie was showing loads of cleavage. She's got lovely big knockers (bigger than mine!) and lads just can't get enough of them. Hell, even I've had fun playing with them now and again when we've been getting down to some lezzie fun, which we do occasionally for a laugh.

We were well sozzled by the time we got to the club, and Chrissie had already snogged some bloke in the taxi queue and let him have a good feel of her arse, so I was feeling a bit left out and zeroed in on a group of guys at the bar. I must have made it pretty obvious I was up for some fun as it wasn't long before I had some geezer's tongue jammed down my throat and I knew his cock would probably be in there before chucking out time. He was perched on a bar stool and I positioned myself in between his legs so that I could check if his dick was big enough and ready for action. Believe me, it was, and I ground my crotch against the bulge in his trousers as we snogged.

He was groping my bum through my tiny skirt and I could feel the juice beginning to flow in my cunt, but another of the lads was muscling in, so I turned and began kissing him instead.

This turned out to be Dan, and as I slid my hand up his thigh I nearly had a heart attack as I felt the enormous lump of his prick. Jeez, this was definitely the cock I wanted to stick up my fanny that night, and I concentrated all my attention on my victim from then on, leaving Chrissie the choice of the other lads.

I rubbed Dan's shaft through his trousers. The thing must have been all of nine inches long and nice and thick, too.

I couldn't be arsed with messing about, so I whispered in his ear that I wanted a fuck and I wanted it now.

I grabbed his hand and dragged him outside, steering him down the narrow alley that ran alongside the club. I've lost count of the amount of dicks I'd sucked and fucked down that unlit passageway, and there is something really horny about spreading your legs and taking a prick up your fanny while leaning against a wall in a place where someone could catch you at anytime, but all I was thinking about at that moment was getting my hands on Dan's huge cock. He started to squeeze my tits through the tight shirt I was wearing as I unzipped his trousers and groped inside his pants for that lovely monster. I pulled it

clear and my hot, sticky pussy twitched with anticipation as I could barely get my hand round the thing.

Squatting on the mucky floor I tickled the end of his musky smelling knob with my tongue, before pushing it straight into my mouth. He really was fucking huge and I nearly gagged as he pushed it towards the back of my throat. Gripping the thick shaft with both hands, I slurped on his meat, bobbing my head up and down on the dick in time to the music filtering throughout the club wall behind me. Dan was moaning and groaning, gripping my head and trying desperately to actually fuck my mouth, but I had to restrain him as there was no way I could take all of that giant tool down my throat, no matter how good I was at giving head.

My cunt was dribbling juice into my knickers as I squatted there with my fanny lips gaping open, and I knew it was certainly wet enough to get at least some of this big bastard inside, so I stood up and yanked down my panties, giving my clit a quick frig and testing the moistness of my hole with a couple of fingers. Yep, I was ready and leant back against the wall and lifted my skirt.

Even in the near darkness, I could see Dan's massive rod jutting out in front of him as he moved between my wide-open thighs and pressed the head against the entrance of my gash. For a second, I wondered if I really was going to be able to take it, but

before I had a chance to change my mind he stuffed it in.

Oh fuck, it was amazing! The biggest prick I'd ever had in me by a mile. It was even bigger than that cucumber Chrissie had used on me once, and I loved it. I sank down onto it and my cunt tunnel stretched to its limit to let it in.

Further and further it went until I was well and truly stuffed with prick. Jammed to the brim with wonderful man meat. I didn't even need to jerk myself as I just came straight away, my pussy muscles squeezing his monstrous tool as the climax exploded through my body.

As I leant back, groaning and panting with pleasure, Dan only managed one more half thrust before I felt his thick, fat cock swell even larger and the first jet of his sticky, creamy spunk shoot deep up my soaking snatch. I'd intended to drink his cum but could do nothing as he continued to squirt inside me.

Even after his dick had shrunk and slipped out of me, my cunt stayed open and I

could feel his warm sperm oozing out of the gaping entrance and down my leg.

We didn't bother going back into the club after our awesome fuck. No way was I going to risk losing that cock to some other tart. And after all the filthy things I've done for Dan since, I really don't think that's ever going to happen.

“My cunt was dripping juice into my knickers as I squatted there with my fanny lips gaping open.”

The bird watching world was thrown into frenzy recently, following numerous sightings of the lesser clothed Evelyn in her natural habitat. Having a keen and curious eye for birds we promptly grabbed our binoculars and went in search of this rare species of fine female form. With such a strong scent (a blend of fanny batter and Chanel No.5) we soon tracked down our prey to an open clearing in the woods. "I'm a great fan of the outdoors," Evelyn admitted to us. "Especially when it comes to having sex outdoors. I always used to drive out to the country with my last boyfriend and we'd find a secluded lay-by or park where we could fuck. First of all I'd suck him off in the car and then we'd get out, find somewhere to lie down or lean against and then he'd ram it up me. I loved screaming at the top of my voice and hearing it echo around the woods as I climaxed. I never got into the dogging thing but I'm sure we were being watched several times and I didn't mind. It added to the thrill!"

"I'm big and bouncy! Guys love getting smothered by my huge tits. I love a hot, soapy bath. I have loads of naughty pics, do you want to see?"

txt: **TM25 to: 89098**

"I've got a boring husband who fails to satisfy me. I'm always horny. Text me now & tell me what you'd do to me! Anything goes."

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: www.lovemilfs.uk

A full-page photograph of a woman with long, dark, wavy hair, lying on her back on a white surface. She is looking down with her eyes closed and her mouth slightly open. She is unclothed, with her hands resting on her hips. Her legs are spread apart, and she is wearing black thigh-high stockings. The background is a dark, textured wall with some out-of-focus lights.

Strike a pose! Which is exactly what the olive skinned goddess Zara Mae has done, and in a very erotic manner too might we add. What wouldn't we give to be sat in that swivel chair taking in the view of those shapely legs and the rest for that matter? Well, that's gone and boiled our turnips now hasn't it!

You wouldn't believe some of these holidaymaker's complaints...

DOWN THE WIRE

NUDISM IS A BIG NO-NO

They should not allow topless sunbathing on the beach. It was very distracting for my husband who just wanted to relax.

LOVE A CURRY?

On my holiday to Goa in India, I was disgusted to find that almost every restaurant served curry. I don't like spicy food.

AND THEY DIDN'T TAKE BRITISH MONEY

We went on holiday to Spain and had a problem with the taxi drivers as they were all Spanish. How unhelpful is that?

WE HAD TO GO SKINNY DIPPING

We booked an excursion to a water park but no-one told us we had to bring our own swimsuits and towels. We assumed it would be included in the price."

SAND UP IN THE CRACK

The beach was far too sandy. We had to clean all of it off before we returned to our room, and even then we had to shower and clean it out from inside our private areas. We weren't told about this and will never book a beach holiday again. Not a penny of compensation.

WRONG KIND OF SAND

We found the sand was not like the sand in the brochure. Your brochure shows the sand as white but it was more yellow.

VERY OLD FASHIONED

My fiancée and I requested twin-beds when we booked, but instead we were placed in a room with a king bed. We now hold you responsible and want to be re-reimbursed for the fact that I became pregnant. This would not have happened if you had put us in the room that we booked. We were desperate to wait for until we were married. You've ruined our lives.

WHEN CREATURES ATTACK

I was bitten by a whole load of mosquitos on the very first night. The brochure did not mention mosquitoes. Why not? It ruined my holiday.

BUMPY TIME

The roads were uneven and bumpy, so we could not read the local guide book during the bus ride to the resort. Because of this, we were unaware of many things that would have made our holiday more fun.

IT'S NOT SNACK TIME

I think it should be explained in the brochure that the local convenience store does not sell proper biscuits like custard creams or ginger nuts.

POR FAVOR

When we were in Spain, there were too many Spanish people there. The receptionist spoke Spanish, the food was Spanish. No one told us that there would be so many foreigners.

SHSSSSHHH!

It is your duty as a tour operator to advise us of noisy or unruly guests before we travel. We like to go to bed early and ended up being up late every night.

JUST SCRAMBLE THEM

Although the brochure said that there was a fully equipped kitchen, there was no egg-slicer in the drawers.

TIME TRAVEL

It took us nine hours to fly home from Jamaica to England. It took the Americans only three hours to get home. This seems unfair.
